SWEET ROSÉ

Year Produced

2016

Composition

100% Shiraz

Tasting Note

Strawberry, sugar and spice and all things nice...

This Rosé is sweet, delicious and dangerous!

Strawberries, confectionery and cream dominate the palate. Residual sugar fleshes the wine out, with well-balanced acid holding it all together.

Winemaking

After spending just 6 hours on its skins our Rosé is pressed and stored in stainless steel tanks to preserve its sweet fruitiness and vibrant colour. The sweetness is attained naturally after we stop the fermentation at 1 baume (30g/L of sugar).

Cellar

Best enjoyed right now, drink within 24 months.

Food Match

Simply enjoy super chilled with or without a straw!

If you do want to pair it with a meal then a spicy Thai curry or a Vietnamese salad will see this Rosé devoured in no time!

Price

\$21 per bottle or \$19 in a case.
